I. ANNUAL FIELD TRAINING, PENNSYLVANIA NATIONAL GUARD.—Pursuant to the provisions of Section 92, National Defense Act, approved June 3, 1916, as amended June 4, 1920, encampments for instruction in field training and target practice of the Pennsylvania National Guard will be held during periods scheduled in G. O. No. 7, A. G. O., c. s.

Where practicable, all organizations, except the advance detachments, will leave their home stations on dates specified as the first day of their encampment, and all organizations, except the rear detachments, will leave camp so as to arrive at their home stations on the dates of the expiration of the encampment period in each case.

II. ADVANCE AND REAR DETACHMENTS.—Where troops must organize camp and pitch tentage, advance detachments will be authorized for two (2) days preceding the encampment. Where a less amount of preparation is necessary, an advance detachment is authorized for one (1) day in advance of the encampment.

These detachments will not exceed one (1) officer per battalion and three (3) enlisted men per company. Where a service company, troop or battery is included among the organizations to attend an encampment, the personnel for advance and rear detachments should preferably be taken from such unit.

A rear detachment of the same size and composition as the advance detachment is authorized for one (1) day in those cases where tentage must be taken down, dried, packed and stored at the camp.

III. STRENGTH REQUIREMENTS AND PAY AND ALLOWANCES FOR FIELD TRAINING.—Particular attention is invited to the requirements of Paragraphs 110 and 932, National Guard Regulations, in force January 1, 1926, which will govern. Any units not conforming with these requirements will not attend camp.

Pay and allowances at Army rates, as provided for in Sections 92 and 94, National Defense Act, is authorized, and will be paid by the U. S. Property and Disbursing Officer for the encampment periods as scheduled, except when in excess of fifteen (15) days.

All officers are entitled to rental allowances and will be required to furnish a certificate in duplicate that neither they nor their dependents were occupying public quarters during the period for which the pay is claimed. Blank forms for this purpose will be furnished by the U. S. Property and Disbursing Officer at the encampments and will be submitted with the Federal pay roll. (Dependents includes a wife, minor children, or a mother.)

In view of the fact that it is necessary to first present all claims for additional rental and subsistence allowances on account of dependent mothers to the Comptroller General of the United States for decision, payment of claims of this character will not be made on the Federal pay roll. Subsequent settlement of same will be made by the U. S. Property and Disbursing Officer after they have been properly passed upon.

IV. DESIGNATION OF CAMP COMMANDERS.—Major General *William G. Price, Jr.*, is charged with the training of all units of the Pennsylvania National Guard at the several camps and will make all necessary arrangements, etc. He is designated Camp Commander, at Mount Gretna, from July 17th to August 14th, 1926, and will make all necessary arrangements for program of instruction and issue all orders pertaining to the discipline and training of the various organizations during their tour of field duty.

Brigadier General *Edward C. Shannon* is designated Camp Commander at Mount Gretna, from August 14th to 28th, 1926.

The above named officers will issue such orders as may be necessary to carry these orders into effect.

V. REQUISITIONS FOR CLOTHING AND EQUIPMENT.—It is important that all requisitions for clothing and equipment necessary to properly clothe the men and equip the organization for field training be submitted on Form Q. M. C. No. 47, in duplicate, to the U. S. Property and Disbursing Officer, State Arsenal, Harrisburg, at least thirty (30) days prior to the beginning of the encampment periods, in order that delivery may be definitely assured.

When requisitions are made for property to replace articles which have become unserviceable through fair wear and tear in the public service, the unserviceable property must be shipped to the State Arsenal by freight on Government Bill of Lading, to be furnished by the U. S. Property and Disbursing Officer. Commanding Officers, when requesting bills of lading, will state the number of boxes, bundles, crates or packages, and furnish a list showing the contents and weight of each item.

Shipping ticket prepared on Form Q. M. C. No. 62, in triplicate, to cover unserviceable property returned, will have a signed certificate placed thereon, stating the length of time the property was in use, and that it was worn out through fair wear and tear in the military service.

Requisition, prepared on Q. M. C. Form No. 47, in duplicate, must accompany such shipping ticket if replacement is desired.

Shipping ticket prepared on Form Q. M. C. No. 62, in triplicate, with an expenditure certificate thereon to cover medicines and surgical dressing consumed during the year, must accompany the requisitions, in duplicate, for medicines and surgical dressings for replenishing medical and surgical chests. Surgical instruments and appliances which have been lost or become unserviceable will be made the subject of a report of survey, as no replenishment requisition can be authorized other than by survey. This provision also applies to veterinary supplies, instruments and appliances.

Surplus property in possession of an organization will be returned to the State Arsenal, Harrisburg, prior to the encampment. No surplus or unserviceable property will be taken to the encampments for exchange.

VI. PREPARATION OF CAMP SITE, at Mount Gretna.—Captain *William L. Hicks*, Q. M. C., Superintendent, State Military Reservation, is designated Camp Quartermaster for the period July 17th to August 28th, 1926, and will prepare the Military Reservation for the encampment, and will make all necessary arrangements for the supply of motor and wagon transportation during the tour of field duty to the Motor Transport Officer in charge of the Motor Park.

VII. DESIGNATION OF MOTOR TRANSPORT OFFICER, at Mount Gretna.—Major *George P. Drake*, Q. M. C., Commanding 28th Division Train, is designated as Motor Transport Officer, at Mount Gretna, and will be in charge of the Motor Park and all motor and wagon transportation from July 17th to August 28th, 1926.

VIII. CAMP SUPPLIES.—Major *Leo A. Luttringer*, Q. M. C., U. S. Property and Disbursing Officer, will arrange all contracts for the furnishing of necessary subsistence stores, forage, ice, wood, motor oil, gasoline, grease and other supplies, and for the issuing thereof and the accounting therefor at the encampments at Mount Gretna and Tobyhanna.

IX. TRANSPORTATION.—The U. S. Property and Disbursing Officer will make necessary arrangements for transportation by rail or water, or both, of all troops to the designated places of encampment and return to home stations, and will furnish each commanding officer with a train schedule governing the movement of his command. U. S. Government Transportation Requests will be used. The travel directed is necessary in the military service.

U. S. Government Bills of Lading to cover all shipments of animals, equipment and material to encampments and return to home stations, will be furnished organization commanders by the U. S. Property and Disbursing Officer. Request therefor need not be made. Commercial or State Bills of Lading will not be used in connection with any movements of troops to or from the encampments.

Complete instructions as to methods of using U. S. Government Transportation Requests and Bills of Lading will be furnished by the U. S. Property and Disbursing Officer when these forms are issued. Strict adherence to these instructions without any deviation in any manner or for any reason is absolutely necessary.

X. COMMUTATION OF RATIONS EN ROUTE TO CAMPS.—It being impracticable to furnish rations in kind for the journeys to

the several camps, an allowance, as provided by Paragraph 629, National Guard Regulations, in force January 1, 1926, of \$1.20 per day, or appropriate fractional part thereof, for cooked meals for each enlisted man, while traveling to the several camps, is authorized when such travel is performed and extends over regular meal hours. No allowance will accrue when the travel is performed between regular meal hours.

Attention is invited to Paragraph 8-a (2), Army Regulations No. 35-4520, which refers to the method of computing rations while on a travel status, as follows:

- (a) The day will be considered as beginning at midnight.
- (b) For 18 hours or over in a travel status—one whole day.
- (c) For 12 hours or over, but less than 18 hours, in a travel status—two-thirds of a day.
- (d) For less than 12 hours in a travel status—one-third of one day.
- (e) No allowance will be paid for the first day of a journey which begins at 6 p. m.

Unit commanders will submit receipted bills, in duplicate, for the amounts expended under this authority, together with a certificate, in duplicate, showing the number of men making the journey, hour of leaving home station, hour of arrival at camp, and number of meals purchased, to the U. S. Property and Disbursing Officer, who will make a refund of the amount actually expended, but in no instance to exceed forty (.40) cents per meal.

Unit commanders making such purchases will place a signed statement on the certificate, in cases where the total amount of purchases is less than \$100.00, to the effect that there was no personal profit in the transaction, and in cases where such purchases exceed \$100.00, an affidavit to the same effect will be furnished. The statement or affidavit will state, in part, that the purchases were necessary for the reason that rations in kind were not available for use during the travel period.

A copy of the certificate, referred to, showing the number of meals purchased and for which refund is to be claimed, will be furnished by the unit commander to the regimental adjutant, who will divide the number of meals purchased en route during the first day of the camp period by three, and the result, representing the number of rations, will be deducted from the ration return, and the supply officer will reduce the rations issued in kind accordingly.

XI. REPORT OF ABSENTEES.—The Commanding officer of each company, troop, battery, or detachment, will determine, prior to leaving home station for camp, the cause of absence of any member or members of his command, and immediately after arrival in camp will submit to the regimental or separate battalion commander, for transmission to the instructor assigned to duty with organization, a detailed list of absentees, showing the cause of absence in each case.

XII. SUBSISTENCE.—Rations in kind will be furnished for the periods as scheduled by the U. S. Property and Disbursing Officer for the encampments at Mount Gretna and Tobyhanna, and will be issued for five day periods, with the exception of perishable articles which will be issued daily.

Preliminary ration returns on Form P. & S. No. 223, (to be furnished by the U. S. Property and Disbursing Officer), for the first five day period for regimental or similar organizations, including rations for advanced detachment, properly signed by the adjutant, and approved by the Commanding Officer, will be presented to the Subsistence Supply Officer at the camp by the commanding officer of the advance detachment, so that rations may be regularly issued for use by advance detachments and be available upon the arrival of the organization at the encampment.

Any rations issued during the first five day period in excess of or under the actual strength of an organization will be adjusted on the ration return presented for the second five day period.

Any rations for which commutation is claimed under Section X of this order will be deducted from the ration return of the organization for the second five day period.

Arrangements will be made by the U. S. Property and Disbursing Officer with the Camp Quartermaster, Fort Monroe, Virginia, for the furnishing of rations to the supply officer, 213th Coast Artillery (A-A), upon proper requisition.

Rations will be procured by the Commanding Officer, 28th Tank Company, Special Troops, 28th Division, at Camp Meade, Maryland, and by the Supply Officer, 103rd Observation Squadron, Air Service, 28th Division, at Langley Field, Virginia, by purchase from the Camp Quartermaster or elsewhere, and must not exceed fifty (.50) cents per man per day. Properly certified bills, in triplicate, of the person, firm or corporation furnishing the supplies, with certificate of receipt by the purchasing officer stating purchase was made for immediate consumption and for the enlisted men of the organization, will be forwarded to the U. S. Property and Disbursing Officer for settlement. This arrangement as to certified bills also applies to regular camp supplies required and purchased for the U. S. Property and Disbursing Officer.

XIII. PREPARATION OF PAY ROLLS.—Federal and State pay rolls will be completed and administered in the following manner:

(a) Five copies (one original and four carbons) of pay rolls will be accomplished on Forms W. D. Nos. 378 and 378a, which will be furnished by the U. S. Property and Disbursing Officer at the encampment. No other form will be accepted. All carbon copies must be clear and legible. The pay rolls will be marked original, duplicate, triplicate, quadruplicate and quintuplicate.

(b) The original and duplicate copies will be signed by each officer and enlisted man, and triplicate copy will have all signatures copied by typewriter in the spaces provided for signatures as to receipt of pay.

(c) Page 1. of Form W. D. No. 378, must have the certificates signed and oath completed on all copies. The U. S. Mustering Officer will sign the Mustering Officer's certificate on the original, triplicate and quintuplicate copies, and the State Mustering Officer will sign the duplicate and quadruplicate copies.

(d) For each enlisted man claiming service pay under Section 32, Act of Assembly, approved May 17, 1921, a notation will be made in the remarks column of the payroll "Over (5, 10, 15 or 20) years service." The claim will be verified with records compiled from prior service as shown by enlistment records, and if incorrect, will be disallowed. The use of Form A. G. O. Pa. No. 4, previously used for this purpose, is discontinued.

(e) Immediately after muster of the unit, all copies of the pay roll will be submitted to the U. S. Property and Disbursing Officer, who will enter thereon the amount of U. S. pay due each officer and enlisted man, and will transmit the first and third carbon copies to The Adjutant General.

(f) The Adjutant General will cause to be entered thereon the amount of State Pay due, i.e., the difference between U. S. Pay, and State Pay, together with service pay, if claimed, due each enlisted man.

(g) Quintuplicate copy, showing the amounts of U. S. Pay due, will be returned by the U. S. Property and Disbursing Officer to the unit commander.

(h) Quadruplicate copy, showing the amounts of State pay due, will be returned by the Adjutant General to the unit commander, together with the check of the State Treasurer for the total amount of State Pay due on the pay roll.

Organization and unit commanders will arrange for the appointment of non-commissioned officers, in all cases where possible, prior to encampment periods, thereby reducing the change of status of enlisted men during such periods to a minimum which will eliminate the necessity for remarks on pay rolls, assure more rapid computation of the amounts due and the payment thereof.

Attention is invited to Paragraph 932 (d), National Guard Regulations, in force January 1, 1926, which requires an officer or enlisted man be present at an encampment during at least one-half of the number of days authorized for attendance of the organization in order to qualify for pay. Leave of absence to an officer or furlough to an enlisted man will not be granted unless such officer or enlisted man is qualified for pay, and then only under the most extenuating circumstances. Deserters apprehended will not be forwarded to camps unless sufficient days of the encampment period remain to permit them to qualify for pay. No state funds are available for pay of officers or enlisted men not qualified under this regulation.

(Enlistment record for each enlisted man whose name appears on the pay roll of a unit must be on file in The Adjutant General's Office, otherwise payment of both Federal and State Pay will be withheld until all papers are received.)

XIV. ACCIDENTS.—All accidents resulting in personal injuries of any material nature will be promptly reported to The Adjutant General, who will furnish blank form of Employer's Report of Accident to Employee for accomplishment in duplicate. This report must be mailed so as to reach The Adjutant General not later than the tenth day of disability. Compensation will be allowed under the provisions of the Workmen's Compensation Act of 1915 to all enlisted men injured in line of duty. Compensation will only be paid in cases not provided for under Section XV of this order.

XV. HOSPITALIZATION.—Only such cases as require medical or surgical treatment of a nature that cannot be administered or performed at the encampment will be sent to civilian hospitals for treatment. This action will be taken only on the recommendation of the Division Surgeon, or, in the absence of the Division Surgeon, on the recommendation of the senior Medical Corps Officer of the regiment or similar organization. Report of hospitalization in civilian institutions will be

made immediately to The Adjutant General by the officer authorizing same, and will state the name, rank or grade, and organization of the officer or enlisted man so cared for, and the cause for hospitalization. In case of extraordinary emergency Mount Gretna cases will be sent to the Good Samaritan Hospital at Lebanon, and in cases less urgent they will be sent to the Lancaster General Hospital, at Lancaster. Tobyhanna cases will be sent to the State Hospital of Northern Anthracite Coal Region, at Scranton. Expenses of hospitalization will be settled by the U. S. Property and Disbursing Officer in accordance with the provisions of Section 1, National Guard Regulations No. 62.

XVI. ANNUAL PHYSICAL EXAMINATION OF OFFICERS.—The Camp Commander at Mount Gretna, will arrange, through the Medical Corps, for the completion of the annual physical examination of officers.

The Commanding Officers, 108th Field Artillery and 176th Field Artillery, will similarly arrange for the annual physical examinations of officers at Tobyhanna, the Commanding Officer, 213th Coast Artillery (A.-A.) for officers at Fort Monroe, the commanding officer, 28th Tank Company, Special Troops, 28th Division, for officers at Camp Meade, and the Commanding Officer, 103rd Observation Squadron, Air Service, 28th Division, for officers at Langley Field.

These examinations will be completed at such times as will not interfere with the training program. All officers who have been examined subsequent to December 31, 1925, for either original or promotion appointments, need not be examined. Necessary blank forms (M. B. No. 63) will be furnished by the Commanding General, 28th Division. Original copy only is required.

The greatest care will be exercised to properly complete these examinations required by existing regulations. All blank spaces must be filled out as intended, so as to avoid the necessity of returning for completion.

All examinations will be passed upon as to their completeness according to existing regulations by the Division Surgeon before forwarding to The Adjutant General.

XVII. PRIVATE MOUNTS.—Privately owned mounts will not be brought to camp unless authority is obtained from The Adjutant General, in writing, in each individual case. Applications for such authority must be in the office of The Adjutant General not later than July 1, 1926.

XVIII. AMMUNITION, BALL, CALIBER .45.—All ammunition, ball, caliber .45, in excess of twenty-one (21) rounds, initial allowance for each pistol or revolver, now in possession of units will be brought to Mount Gretna, and transferred on shipping ticket to the Superintendent, Military Reservation. The amount allowed by the Ordnance Officer, Third Corps Area, for use at the training camps is only 40% of the authorized allowance. It is important all excess ammunition be returned, otherwise the training program will be seriously handicapped.

XIX. SIGNAL EQUIPMENT.—All radio sets, wire, and other items of communications equipment, regardless of condition, in possession of units of the 53rd Field Artillery Brigade, will be brought to camp for instruction purposes and to be inspected by the Signal Instructor.

XX. WHITEWASHING OF TENT PINS PROHIBITED.—Experience has demonstrated that the whitewashing of tent pins has caused the loops on the tent ropes to rapidly deteriorate and rot, thereby necessitating considerable repairs. The whitewashing of tent pins is absolutely prohibited.

XXI. SPECIAL STATE PAY ROLLS.—The encampment periods of Motor Transport Companies Nos. 109 and 110 and 28th Military Police Company are in excess of fifteen (15) days, the length of time authorized by the Militia Bureau. Special pay rolls will be rendered, in duplicate, by these units on Form W. D. Nos. 378 and 378a for the number of days in excess of the first fifteen (15) days. The State Mustering Officer will sign the Mustering Officer's certificate on both copies. These pay rolls will be forwarded direct to the Adjutant General for settlement.

XXII. FIELD TRAINING, PENNSYLVANIA NATIONAL GUARD RESERVISTS.—The attendance of officers, warrant officers and enlisted men of the National Guard Reserve at field training camps, cannot be authorized, except in exceptional cases, where it can be shown that such attendance is either necessary or extremely desirable. Special authority for the attendance of National Guard Reservists must be obtained from the Militia Bureau in each specific case.

By order of the Governor:

F. D. BEARY,
The Adjutant General.

HEADQUARTERS PENNSYLVANIA NATIONAL GUARD. THE ADJUTANT-GENERAL'S OFFICE,

Harrisburg, Pa., *September 2, 1926.*

General Orders, }
No. 22. }

SELECTION OF ENLISTED MEN OF NATIONAL GUARD FOR APPOINTMENT TO UNITED STATES MILITARY ACADEMY.—Under the regulations for the selection of enlisted men of the National Guard for appointment to the United States Military Academy, and pursuant to authority contained in letter of The Adjutant-General, War Department, dated August 27, 1926 (351.11 West Point), there has been allotted to the Governor of Pennsylvania the selection of six candidates from the enlisted men of the Pennsylvania National Guard.

I. Selection will be made according to the order of merit established in a preliminary examination in Algebra, Plane Geometry, History, English Grammar, English Composition and English Literature, to be conducted by The Adjutant-General, which will be held in the House of Representatives Caucus Room, State Capitol, at Harrisburg, Pa., on Wednesday, November 10, 1926, at 9:00 o'clock A. M. The candidates so selected will be authorized by the War Department to report for the regular entrance examination, which is scheduled to be held, beginning on March 2, 1927, and the appointments will be available on July 1, 1927.

II. To be eligible for appointment from the National Guard the applicant must be an enlisted man of a unit of the Pennsylvania National Guard recognized by the Federal Government. He must, on the date of admission, July 1, 1927, have served as an enlisted man, not less than one year, must be between the ages of nineteen and twenty-two years, must be not less than five feet four inches in height, and must be unmarried. The age and service regulations are statutory, and cannot be waived or modified, but it is not essential that the service be continuous, so that former service in the National Guard may be counted in determining the applicant's eligibility.

III. Enlisted men who desire to take the preliminary examination will forward their applications, requesting permission to do so, through military channels, so as to reach The Adjutant-General, State Capitol, Harrisburg, Pa., not later than November 3, 1926, stating therein the following:

- (a) Name in full.
- (b) Grade.
- (c) Designation of organization.
- (d) Date of current enlistment.
- (e) Prior service (If none, so state).
- (f) Date of birth.
- (g) Permanent post office address.
- (h) Educational qualifications.

Unless the applicant has a high school education, or its equivalent, the application will not be considered. Commanding Officers, when approving applications, will furnish a statement as to the moral character and military conduct of the applicant. Applications must be accompanied by a certificate from a Medical Officer of the National Guard, stating that the applicant is physically qualified, according to the regulations of the War Department, for entrance to the United States Military Academy.

IV. Transportation of the applicants for the preliminary examination will be furnished from home station to Harrisburg and return. Other expenses must be borne by the applicants.

V. This order will be read at the next formation of all units.

By order of the Governor:

F. D. BEARY,
The Adjutant-General.

Federal Annual Armory Inspection,	I
State Annual Armory Inspection,	II
Presentation of Organizations for Inspection,	III
Detail of National Guard Officers as State Inspectors,	IV
Detail of Field or Staff Officer to be present at Inspection,	V
Schedule of Inspections,	VI

I. In compliance with Section 93, National Defense Act, as prescribed in Paragraph 46, National Guard Regulations No. 3, the organizations of the Pennsylvania National Guard will assemble in their respective armories for Federal Annual Armory Inspection on the dates indicated below.

II. In compliance with an Act of Assembly of Pennsylvania the State Annual Armory Inspection will be made concurrent with the Federal inspection, but will in no way interfere with or delay, nor will it take precedence over the Federal inspection.

III. In compliance with Section 8, Act of Assembly, approved May 17, 1921, the Commanding General, 28th Division, will present the various organizations of the Pennsylvania National Guard for the Federal and State inspections on the dates mentioned, will prescribe the uniform and procedure of the inspections, will prepare blank forms for the State inspection, and will advise State inspectors as to the requirements of the inspection and reports to be rendered.

IV. The Commanding General, 28th Division, is directed to detail National Guard officers for the State inspection. Transportation is authorized, and where officers are not permanently employed, or where such inspection will not accrue to their credit for armory drills, per diem pay will be allowed. Care will be exercised to make these details in such a manner as to require the least expenditure of funds. State inspectors will report through Division Headquarters the condition of Federal property in the hands of troops. Special attention will be paid to excess and missing property, and to the condition of property. Special note will be taken as to the records of serial numbers of field glasses, arms, and any other equipment having such numbers.

V. The Commanding General, 28th Division, will direct Regimental Commanders to arrange for the presence of at least one field or staff officer at each inspection and require remarks and criticisms from such officers. State transportation will be used wherever necessary for this purpose, but schedules should be so arranged as to require a minimum amount of transportation. Regimental Commanders will consolidate such comments and criticisms and forward them through channels to the Division Commander. The criticisms relating to strength of organization, condition, care of equipment, missing equipment or excess equipment, and condition of armories, will be forwarded by the Division Commander to this office.

VI. The dates on which the Federal and State inspections will be made are as follows:
